## Week 6

### Miracles Principles 47-50, T-2.1.1-12

#### 4. You fulfill your role by making miracle giving a way of life

- Asking in the morning which miracles you should give
- Watching for the opportunities Jesus sends your way
- Holding yourself ready by keeping yourself in a right-minded state
- Letting Jesus speed you through the daily trivia so you have time for your real function
- Making sure when the time comes to do a miracle, you are in a state of readiness

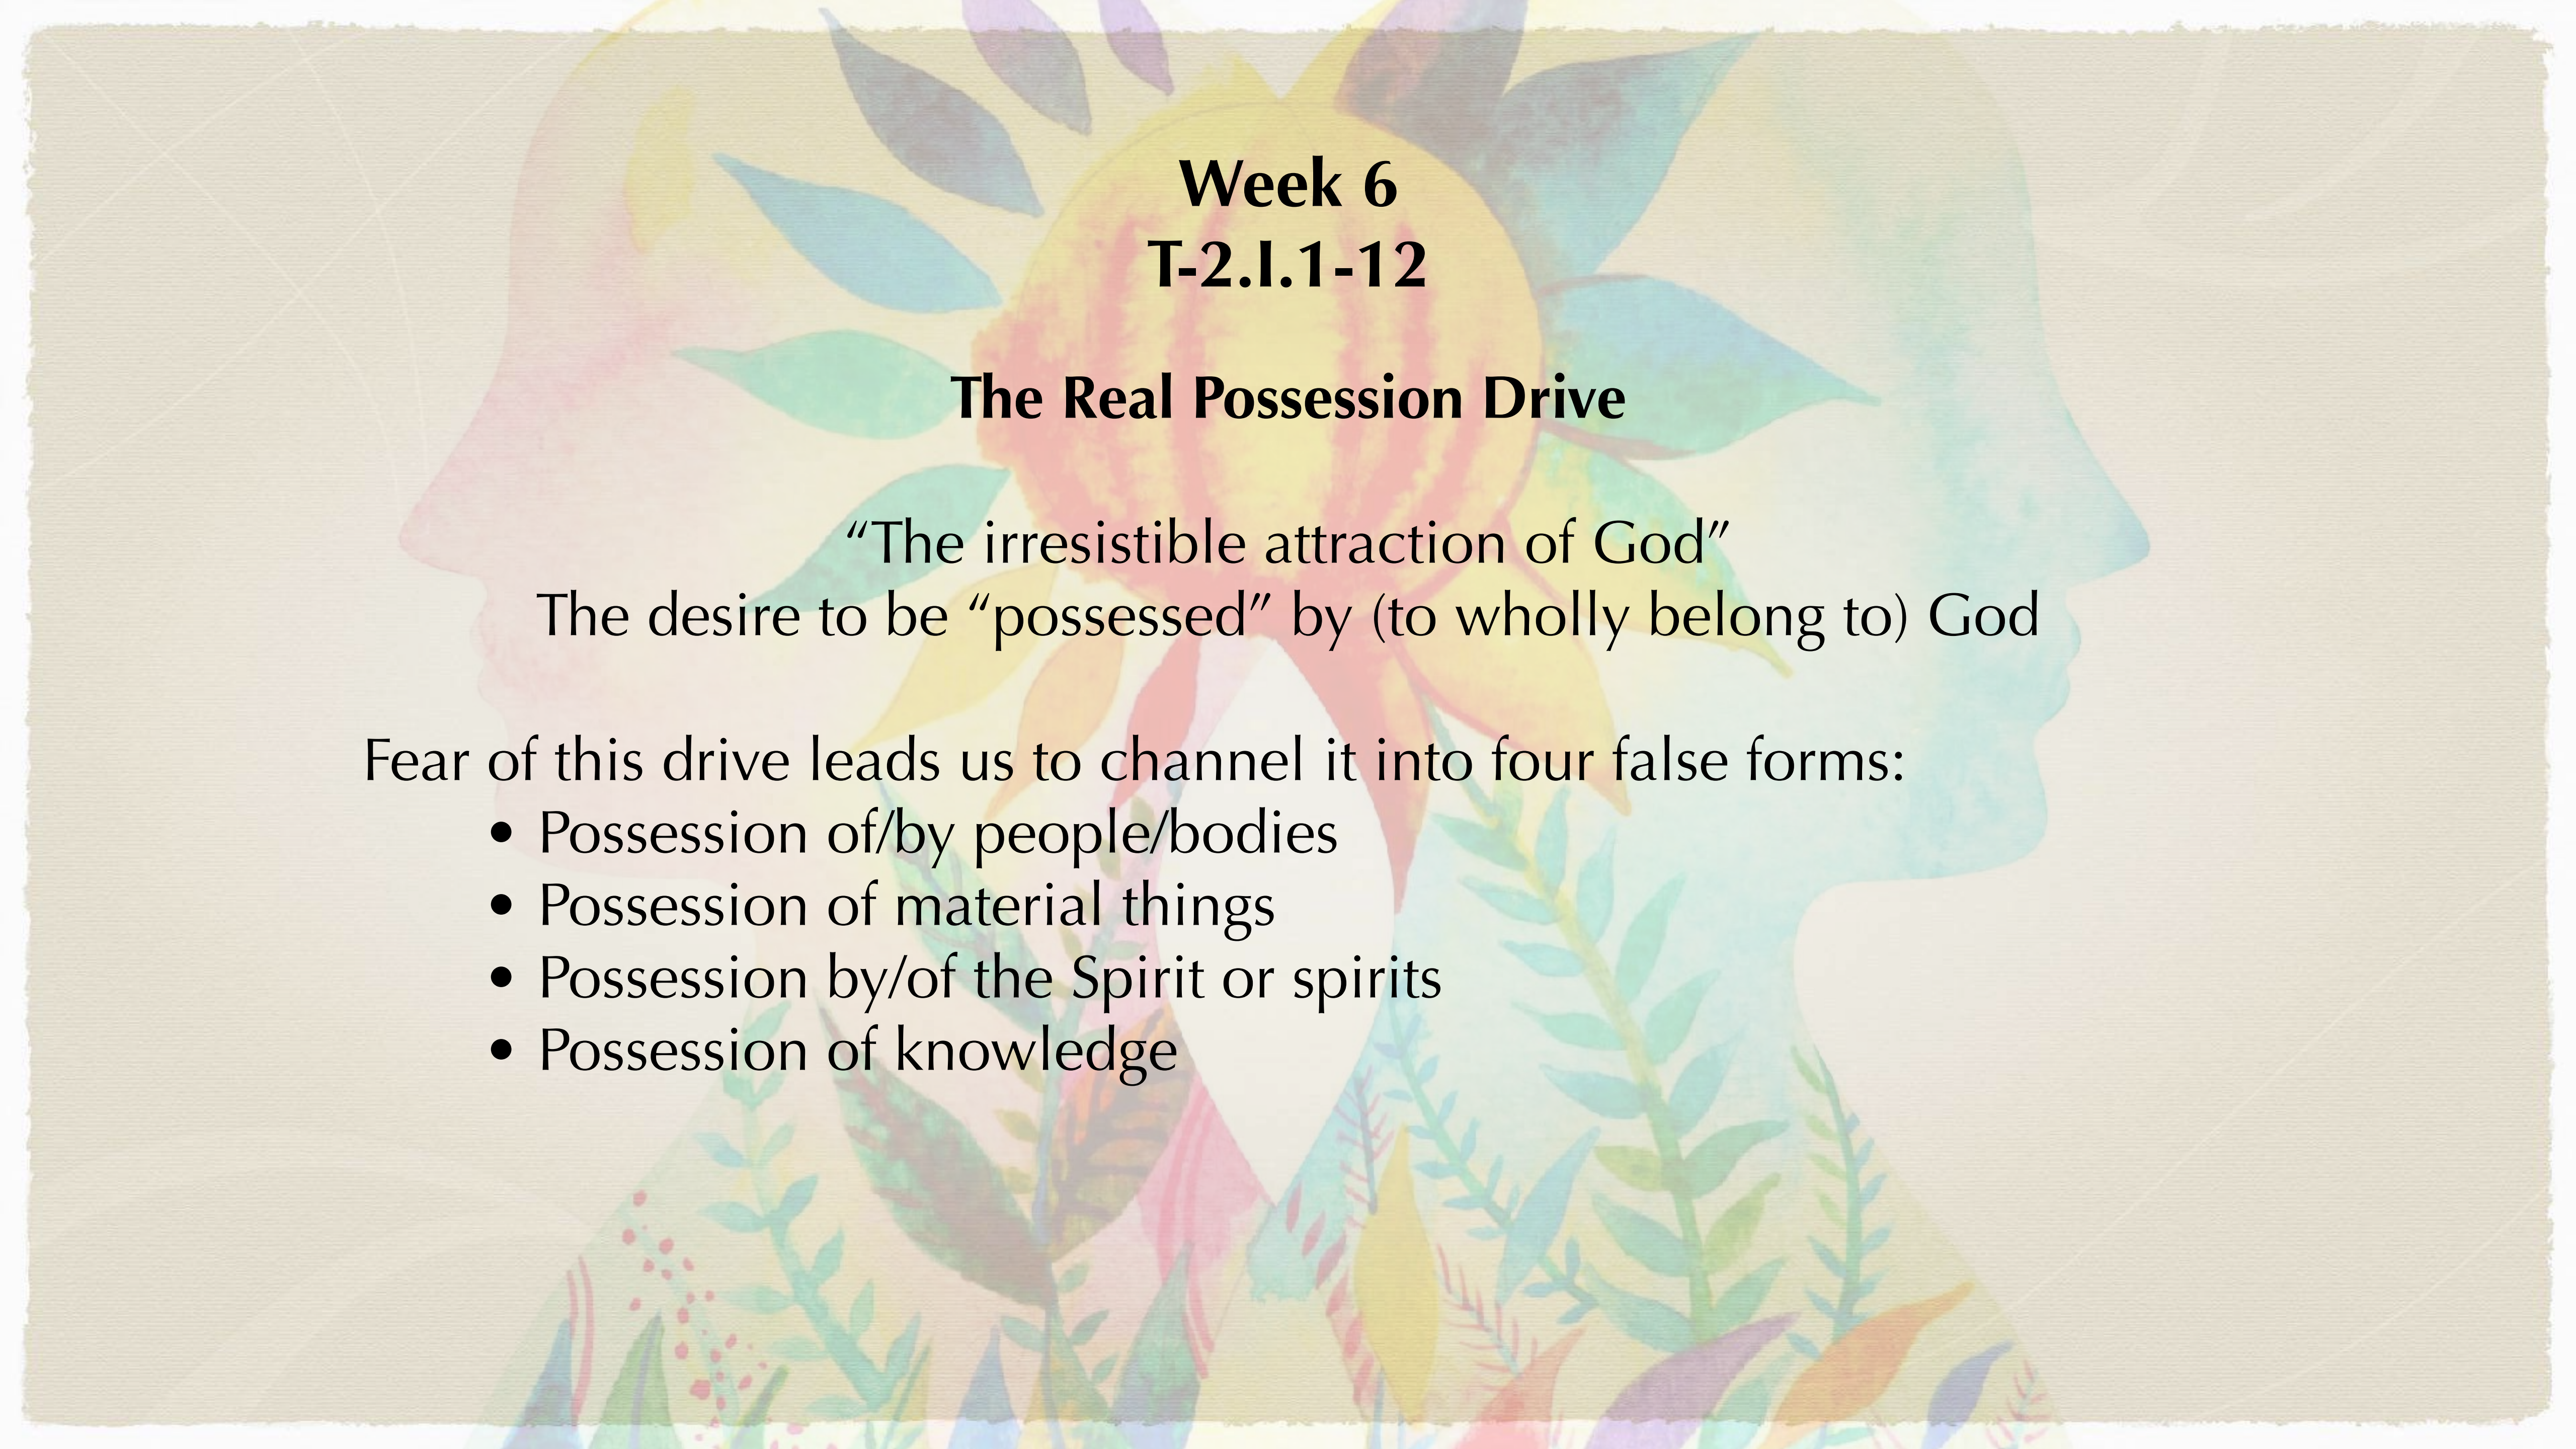

*The power to work miracles belongs to you. I will arrange the right opportunities for you to do them. But you must be ready and willing to do them, since you are already able to. Doing them will bring conviction in the ability. I repeat, "You will see miracles through your hands through mine." Conviction really comes through accomplishment. (T-1.26.7:2-6)*

**Week 6**  
**T-2.1.1-12**

**The Real Possession Drive**

“The irresistible attraction of God”

The desire to be “possessed” by (to wholly belong to) God

Fear of this drive leads us to channel it into four false forms:

- Possession of/by people/bodies
- Possession of material things
- Possession by/of the Spirit or spirits
- Possession of knowledge
